

Uffington Annual Parish Meeting 2026

to be held 6.30pm to 8.00pm on Monday 1st June in the Village Hall

This is not a Council meeting but one where all residents can attend and meet their councillors in a less formal setting. Once the compulsory formalities are over (about 2 mins!) then the councillors will be at separate tables ready to answer any questions or queries on council business.

Have your say about your community

This is your opportunity to:

- Meet your local Councillors and Chair
- Share what's important to you
- Raise any concerns within the Parish
- Suggest ideas and improvements for our community

Drop-in session format, join us at any time during the session to speak with us individually.

We will:

- Listen to your views and feedback
- Collate all comments and suggestions
- Share any relevant actions with residents after the meeting

Refreshments will be served (tea/coffee and biscuits) but you are welcome to bring your own if you wish. There is no set time for arrival or departure to help those with other commitments.

Can't attend?

You can still have your say on the night by emailing:

Cllr-claireashton@uffingtonparishcouncil.gov.uk

Or at any other time by emailing:

clerk@uffingtonparishcouncil.gov.uk

We look forward to hearing from you.
